The NEW Integrated Teller Machines (ITM) have arrived at RVA Financial.

A powerful credit union tool, members can now conduct business when it's convenient, on your schedule. No longer are RVA Financial members limited to regular banking hours to do their account transactions or pay on a loan. Using the latest state-of-the-art technology and your RVA Financial debit card you can make deposits (cash or check), transfer funds, pay on your RVA loan (credit card and consumer loans), as well as cash checks. No more waiting until a branch opens to do transactions.

If you would like to come in, we have staff available during lobby hours, to walk you through every step of the way, showing you how to successfully navigate all of the newest features. The "Teller Assist" option or help button is available on each ITM for answers to any questions about your account during business hours.

The new ITMs are located in the drive thru 24/7 for credit union business on your schedule and in the lobby. As always, thank you for choosing RVA Financial. **We Empower RVA!**

We Empower RVA
